Dear Examiner Manoharan:

Attached is a complementary copy of a Supplemental Amendment I filed yesterday for US applications, Appl. Ser No. 09/845,359. Again, I would very much appreciate that we meet for a personal interview on this case before you complete a next office action so that we can come to an agreement on what claims contain or what amendments are needed to find patentable subject matter in this application. I would like to come to an agreement so that this case may go to issue before the end of the year. Please call me to discuss. Per your suggestion, I will call you tomorrow afternoon if I have not heard from you by then. Tomorrow I will be in and out of the office, so if you call me tomorrow, please call me on my mobile telephone at 703-731-7220.

Sincerely,

Kevin Alan Wolff
